8. Special Health & Safety Reminder. For the comfort and safety of all, we would like to remind everyone to seek medical attention promptly if you experience flu symptoms or other ailments, and to please not come to church for the duration, adults and children alike. If due to urgent matters you must come to church, please wear a medical mask but keep interactions minimal. Kindly be reminded to wash hands often, and use the antiseptic hand sanitizer found throughout the church. Out of additional caution and care for all, we further ask that anyone who has recently traveled back from China, or has come into direct close contact with people who have (i.e. members of their household) to please consider staying away from church for a week or so, to ensure that no flu symptoms develop in the interim. Anyone who wishes to discuss these issues, please contact the Health & Safety committee (Helena Akrigg, Dr. Ray Fong) or our church office who will direct you. Thank you for your understanding and consideration.

- Good health, safety, protection, and wisdom for Jacob and Josephine, Elizabeth, Melanie, and Emma.
- More people to join the Guatemala and Mexico trips.
- Strong faith and patience for people seeking employment.
